## WHO WE ARE

*Friends of Armada* was incorporated as a vehicle to raise funds for projects in the community that are otherwise unlikely to be completed. Our organization is 100% volunteer run. There is no paid staff and the Board of Director's do not receive compensation for their work.

A significant focus of our organization is an investment in the families that live in the community, attend community schools, and support local businesses. *Friends of Armada* believes that an investment in families is an investment in the community.

*Friends of Armada's* vision is to support, develop, and nurture our community with dedication and passion through a spirit of generosity and service.

Any resident, property owner, or business operator within Armada Township or the Armada Area School District, 18 years of age or older, that is willing to provide volunteer support with their time is eligible to become a part of the *Friends of Armada* organization.

*Friends of Armada* is a non-profit corporation organized in the State of Michigan and tax exempt under section 501(c)(3) of the Internal Revenue Code.

## OUR BUSINESS PLAN

*Friends of Armada* relies on charitable donations and cannot succeed without the financial support of businesses and individuals. Careful planning and preparation before soliciting funds will ensure donors a clear understanding of how their donation will be utilized. Donor's will always have the opportunity to donate to a general fund for use on future, undetermined projects. *Friends of Armada* strives for transparency and will work hard to maximize the return on every investment. Thru this effort *Friends of Armada* will earn the trust of potential donors.
